WHO ARE WE?

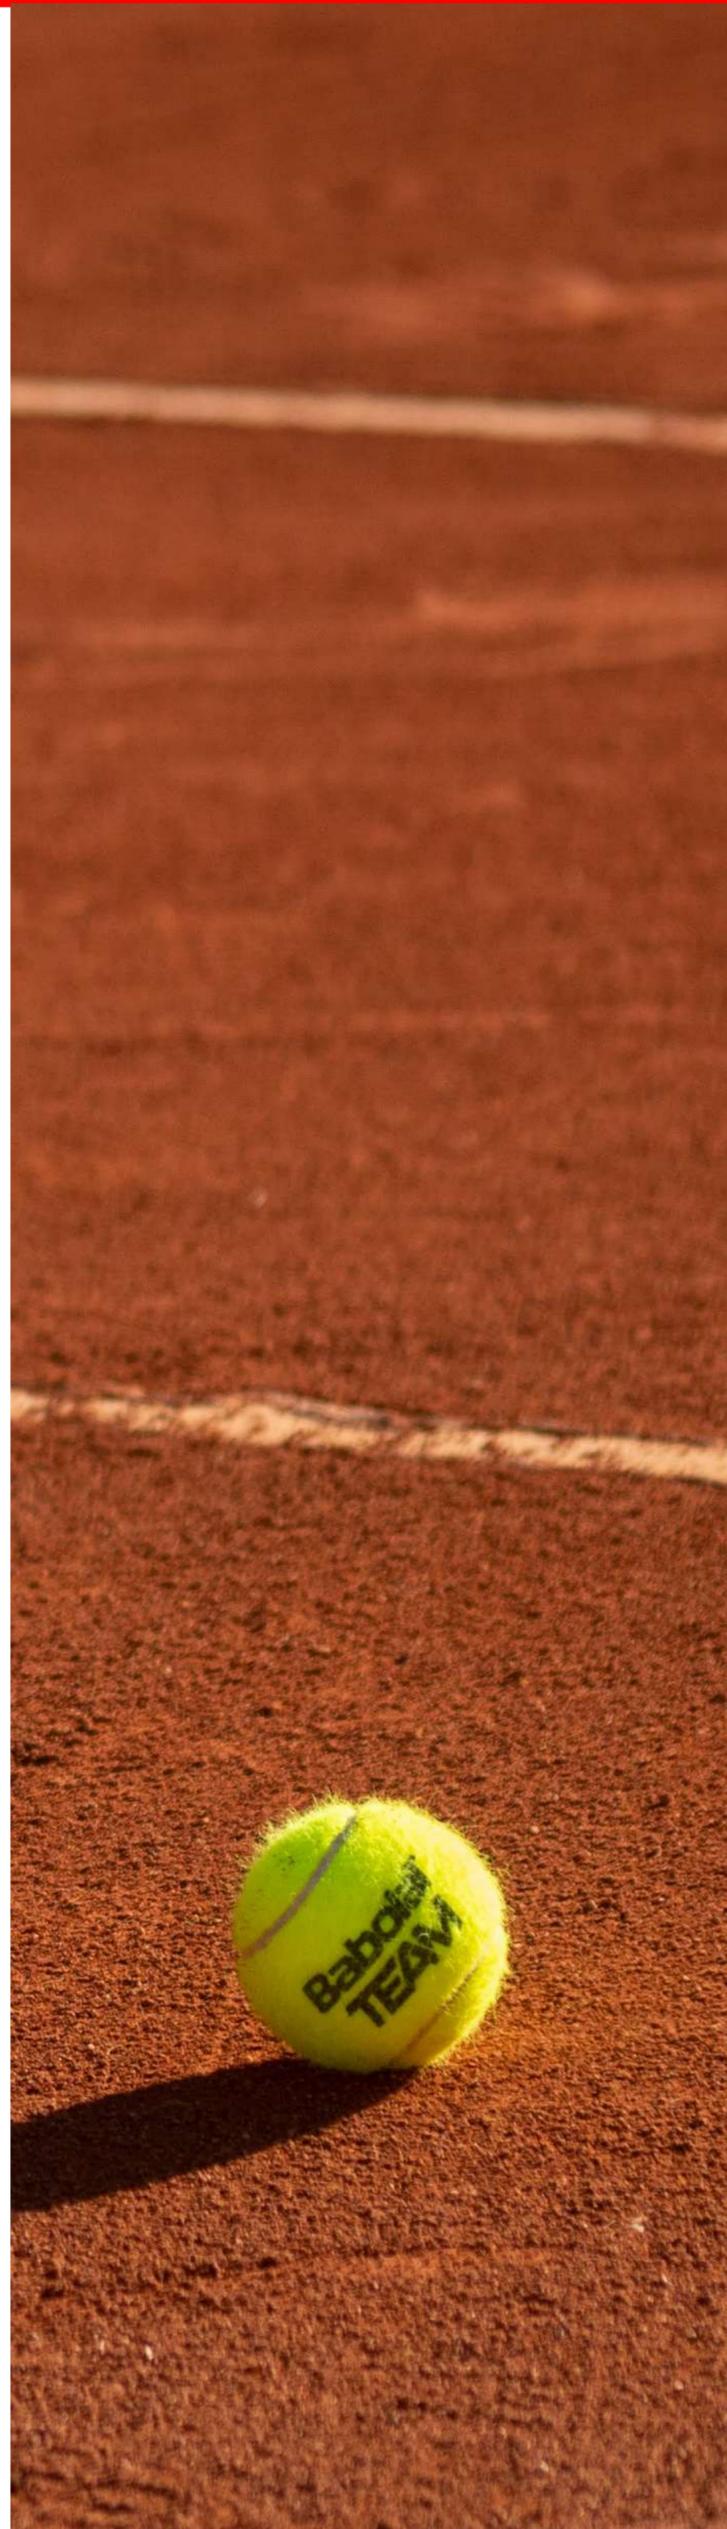

OUR VISION

We aim to be a world-class tennis academy and primary venue for the development of players. We aim to provide an environment that inspires and enables individuals to maximise their own potential through hard work and dedication. We are responsible for ensuring that our players see measurable outcomes in their performance through our well-structured and systematic approach. The ultimate aim is for our players to become self-sufficient and grow in their own way, while being a part of the team. Our players are encouraged to work together, which we believe can only be a good thing in a predominantly individual sport.

THE ROLE OF STA

We give our players the tools and resources to make these improvements, but ultimately, we allow our players to take the lead so that they learn. 'Controlling the controllables' is where we focus all our energy to help players create more of a long-term perspective on their tennis. Each player that walks through our doors and competes with an STA badge will hopefully be recognised as a hardworking, well-mannered individual who has done everything they can to achieve their goals.

We are also driven to ensure that STA becomes a primary destination where visiting Access Players, High-Performance Players, Clubs and Coaches can access our high-quality facilities and integrate with our performance set up. The impact Access Players can have on those training Full Time at the Academy cannot be underestimated - and vice versa! Access Players have the chance to watch, learn and be inspired by our Full Time Players, as well as having lots of opportunities for hitting and match play. We believe STA will be more successful for being inclusive rather than exclusive.

OUR PRINCIPLES

STA VALUES AND BEHAVIOURS

At STA we have core values and behaviours that we hold each other accountable to day in, day out. These core principles help us to not only grow as individuals, but also help us to continue growing the team environment that all our team members benefit from.

GROWTH - OUR KEY VALUES

U N C O N D I T I O N A L E F F O R T

P A Y I T F O R W A R D

These are expectations that we require from each and every Team Soto member in order for them to become the professional individual that STA demands of them. Our goal is to provide a platform from which players can continue to excel, both on and off the court. The key to this is the self-policing of our accountability towards GROWTH AND RISE UP.

We are a team environment with individual pathways.

We are Team Soto: It Starts With Us!

STA PHILOSOPHY/CULTURE

STA embodies a 'Play to Win' philosophy and a 'Control the Controllables' culture. This is not about putting the outcome of performance (winning or losing) above all else, but rather, developing players to play with freedom and appreciate that pressure is a privilege. Our players should never be driven by the fear of failure.

PLAYING THE STA WAY

Your head: Play smart. Know your game style inside out. Use your strengths, manage your weaker areas and learn to expose your opponent's weaknesses.

Your heart: Fight for every ball. Play until the last point. Make sure your opponent always knows they are in for the fight of their lives!

Your legs: Run every ball down and look like an athlete. Be sure you are the fittest player out there!

WHERE TO FIND US

We are based at [El Octogono Club de Tenis y Padel](#) in Sotogrande Marina, where our Academy tennis sessions take place. Strength & Conditioning sessions are also held here, as well as at nearby gym [Active Fitness Sotogrande](#), and sometimes at the beach!

OUR PROGRAMMES

PERFORMANCE PLANNING PROCESS

This process is pivotal to everything we do at STA. We go through this process with players, parents and support teams three times a year to set the plans for the 4-month block ahead. The 4-month blocks are as follows: September – December, January – April, May – August.

ROAD MAP: THE 'WHERE' AND 'WHY'

This is the master document that we use throughout your time here at STA. It's essentially a daily 'map' that will lead you towards the 'end goal' of your tennis journey – as a player and as a person. The map naturally evolves over time and brings a purpose to everything that we do together. This includes the 'end goal' from this tennis journey and what this end goal looks like in terms of you as a tennis player. It includes the vision that you have for yourself as a tennis player, as well as the vision we have for you. The clearer the vision, the easier it is to build the 'stepping stones' to success.

OUTCOME STEPS

We will state the outcome 'check points' we believe are needed to be on track for the final destination. This is reviewed in line with Performance Plan timelines.

PROCESS STEPS

An understanding of all the areas that need to be brought together to build a successful player and person.

PROCESS GOALS: THE 'WHAT'

We simmer this down to the 'key areas' of work for the up-and-coming period. Identifying the key areas in the short term while linking this back to the 'bigger picture' leads us to our process goals.

WEEKLY PROGRAMME & TOURNAMENT PLAN: THE 'HOW'

The goals we want to achieve in the time period lead us to our weekly programme and tournament plan. This will help turn your ambitions into action.

Toward the end of the time period, your performance plan is reviewed, refined and reset for the next time period.

The by-product of your commitment to these processes will be the strong results (outcome). This way of thinking allows our players to combine mental freedom with discipline, which leads to mental strength. Trust and commit to the processes!

COMPETITION

As a Full Time STA Player, you have the opportunity to compete every Friday during STA's Friday UTR Matchplay and also at both local and international (depending on age/level) tournaments with Team Soto.

UNIVERSAL TENNIS RATING (UTR)

STA is an official UTR centre, meaning all matchplay events and tournaments we host count towards our players' Universal Tennis Ratings. This benefits all of our players, particularly those considering the US College pathway. We ask our Full Time Players to sign up for annual [UTR Power Subscriptions](#) to make the most of this platform and avoid paying for each match play event individually.

MATCH UPS

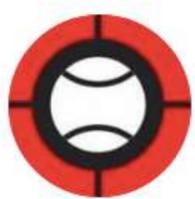

In line with STA's values, players' opponents are not solely decided based on UTR ratings, but also based on how players have trained, effort levels, court surface availability, and upcoming tournaments - like any local or international tournament, players will 'play up' and 'play down' throughout the year.

MATCHPLAY CODE OF CONDUCT

STA players are expected to be respectful and supportive of their peers. This means during Friday UTR Matchplay and tournaments, players should remain off their phones, must not chew gum and focus their attention to the action on court.

LOCAL TOURNAMENTS

Spanish Federation Licences can be arranged through the Academy. These annual licences permit players to enter and play any local tournaments, and cost between €30 to €50 per year depending on a player's age. Full Time Players are highly encouraged to join us on our frequent Academy trips to local tournaments (subject to their individual training and tournament schedule). Players are expected to contribute €5 per day of the trip to cover transport and coach expenses.

INTERNATIONAL TOURNAMENTS

Full Time Players also have plenty of opportunities to travel with Team Soto to national and international events.

Please see page 7 for more information about key aspects and benefits of STA international trips.

INTERNATIONAL TRAVEL

Here at STA we see international travel as a key aspect of the programme that we offer.

We look to run 6-8 trips a year for each relevant age group (Futures, ITF, TE or Spanish National). The reason we run these trips is so players can:

- Gain international level exposure
- Benchmark levels
- Figure out, “is this the life for me?”
- Get the opportunity to commit to individual processes in a pressurised situation
- Get the opportunity to win some tennis matches!

We send a coach on each trip to:

- Speed up the learning process
- Ensure pre-and post-match routines are picked up
- Ensure players learn to be ‘part of a team’
- Pick up valuable ‘tactical insight’ and to learn the importance of scouting opponents
- Maintain and develop physically on the road
- Reinforce the importance of nutrition

Players/parents are responsible for:

- All travel including flights and internal travel (buses, taxis, etc.) The lead coach on the trip will inform everyone of the correct flight to book
- Hotel
- All food including meals and snacks (approximately €20 food allowance per day)
- Player spending money for incidentals
- A share of coach’s expenses (meals, travel, accommodation, etc.)
- Visa/passport validity
- Entry fees
- Physio fees
- Racket re-stringing costs
- Water
- Insurance
- Medical bills

EDUCATION

THE ELITE SPORTS PROGRAMME WITH SOTOGRANDE INTERNATIONAL SCHOOL (SIS)

The Elite Sports Programme forms a structured yet flexible pathway for our Student-Athletes. STA works in partnership with Sotogrande International School to offer a solution for balancing the high academic and sporting demands placed on young, talented sportspeople.

The first rung on the ladder is for Future Champions, progressing to the Junior Champions and ultimately the Elite Champions. Our aim is for Student-Athletes to leave the programme prepared and ready for university scholarships and beyond. STA and SIS work closely together to support our Student-Athletes, helping them to succeed on and off the court in their chosen pathway.

The programme is available for:

- **Future Champions:** 11 - 14 year-olds during M1 - M3 of the Middle Years Programme, who come to STA after the school day with the progression to coming out of school for some extra training sessions.
- **Junior Champions:** 14–15 year-olds, M4 - M5 of the Middle Years Programme, who go to SIS in the morning and train at STA in the afternoons.
- **Elite Champions:** 16–18 year olds studying International A Levels, who train at STA in the morning and attend classes in the afternoons.

With the help of Tennis Smart, our Student-Athletes are supported throughout the whole process of applying for university or college, from application and recruitment, to SAT support, all the way through to arrival at university and even life after graduation.

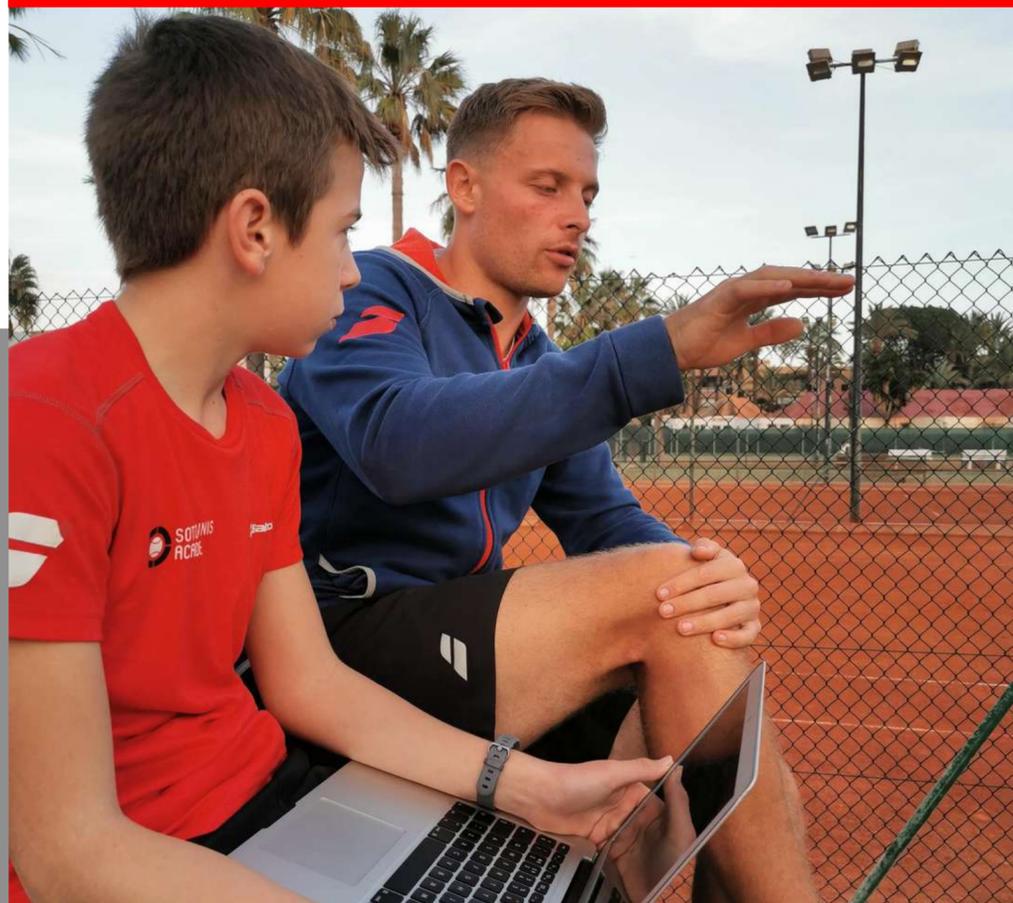

Tennis Smart also supports STA players outside of the Elite Sports Programme at SIS.

ALTERNATIVE PATHWAYS

A number of players choose to pursue local Spanish schooling, home schooling or online schooling options independently. In these cases, we can work players' tennis schedules around their studies as necessary.

For more information about alternative pathways, including recommended online schools, please contact the Operations Team.

STA PLAYERS' HOUSE (18+)

The STA Players' House (18+) is a self-catered accommodation option for players age 18+ or players age 16+ with parental permission. Located 2 minutes' walk from the tennis club, 5 minutes' walk from the beach, and 20 minutes' walk from the centre of the port - where you will find lots of restaurants and independent shops - the house is excellently located for our players' training requirements and lifestyle.

Our Players' House Provides a brilliant transition between living at home and independent living, making it a perfect place for those athletes looking to go on to US College/European University.

The house is also a great option for Pro athletes both at base and on the road.

As this is an independent accommodation option there are no STA staff members in the house, however, STA runs two weekly supermarket trips for players to pick up enough food to cook for themselves throughout the week. Our supervised accommodation option/host family for younger players is also located in the house just next door.

Rooms in the house are shared, with separate rooms for male and female players. The accommodation is well equipped, with bedding and towels provided, but players may prefer to bring their own (single beds). Players also have access to the complex's shared pool during the summer months.

STA HOST FAMILY

STA's Host Family is a supervised accommodation option for players age 15 and younger or players age 16+ who would prefer to live with adult supervision. The supervision is provided by Louise, our Head of Finance, and her husband Nigel, our Head 16+ Coach. They live here with their children Max (2009) and Mollie (2012), and their dog, Sandy. Their house is right next door to the 16+ Players' House, so is also based in a fantastic location in the Sotogrande Marina.

For any players age 15 and under, this is a great way to integrate thoroughly into the 'Team Soto' way of life and to really feel part of the STA family. Players will be staying just across the road from the tennis club, and will be living with a true SotoTennis family, as Louise and Nigel both work for the Academy while Max and Mollie both train at the Academy.

Players staying in this house can choose whether they want to prepare their own meals or whether they would prefer to enjoy Louise's delicious cooking. Either way, they will be offered the opportunity to join the two weekly STA supermarket trips for players to pick up enough food/snacks/drinks to fuel themselves throughout the week.

Rooms in the house are shared, with separate rooms for male and female players. The accommodation is well-equipped, with bedding and towels provided, but players may prefer to bring their own (single beds). Players also have access to the complex's shared pool during the summer months.

SIS BOARDING (U18)

Sotogrande International School (SIS) is a warm and vibrant international community with a stunning campus set amongst the lush green golf courses of southern Spain. The first class facilities are located just 30 minutes from Gibraltar and 1 hour from Malaga and Jerez airports. From September 2022, students will be staying in a brand new boarding provision named 'Templeton House'. The new boarding residence will predominantly house students in twin accommodation, with four bed dorm rooms for junior boarders. There will be six resident members of staff on site, and security guards will be present in the Boarding House during the night.

Boarders will have access to incredible onsite facilities, namely: kitchen, social spaces, basketball courts, football pitches, athletics track, volleyball, badminton, sports centre, library and music rooms. The boarding students will also benefit from the boarding-exclusive evening opening hours of the Chiringuito Café and indoor swimming pool. The activity provision at Sotogrande International School and the Boarding House is exceptional.

Each evening from 20:30-21:30 there is always a Boarding activity provided which the students can opt to participate in. SIS Boarding also offers outstanding weekend activities, speedboat riding, kitesurfing, live sporting events, cinema trips, cultural events and visits to surrounding cities, tenpin bowling, bubble football and much more!

Accommodation in the fantastically-equipped and secure SIS Boarding House includes all meals, transport to and from the tennis club, and pastoral care. Additionally, The Boarding House provides laundered towels and bed linen, however, Student-Athletes are responsible for laundering their own clothes.

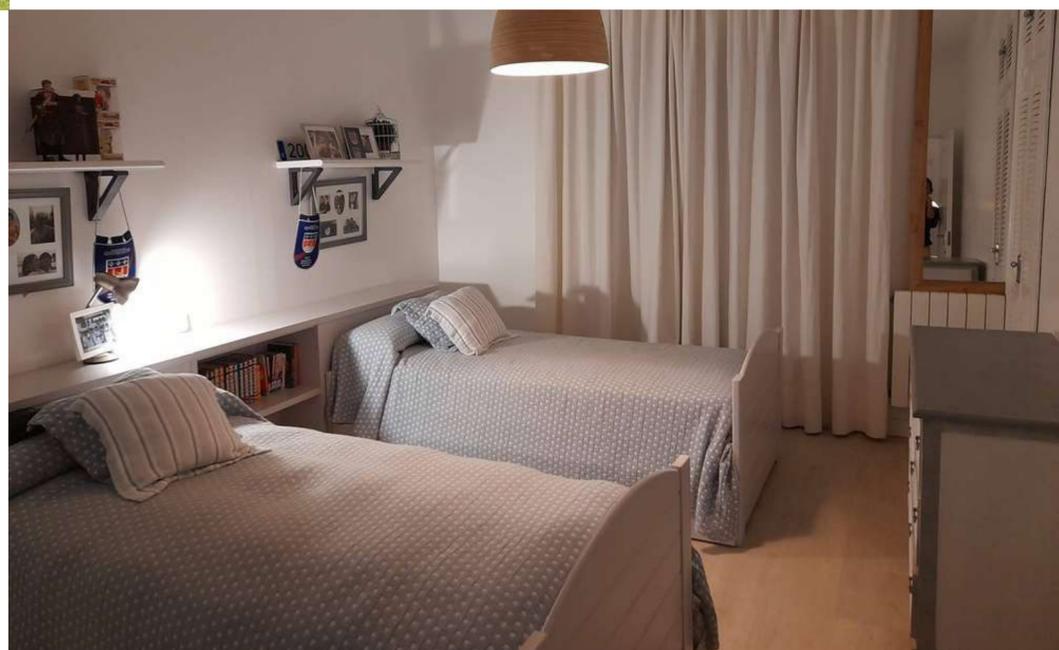

LOCAL HOST FAMILIES

At SotoTennis Academy we are also very fortunate to be able to offer accommodation to our players through some amazing local host families, both English-speaking and Spanish-speaking. Most families provide a single room to each player, but sometimes these rooms might need to be shared with other tennis players depending on availability.

Our local Host Families are all located within the Sotogrande area. Some are within walking distance, whilst others are a short drive away. When necessary, the Host Families provide transport to and from the Academy at the beginning and end of the day. All Host Families provide all meals 7 days a week, but players are expected to do their own shopping for water, snacks, etc.

The local Host Family will provide bed linen, but players are expected to bring their own towels. The Host Family will also often do a player's laundry for them, or at least provide the player with access to their laundry facilities.

All local Host Families provide adequate wifi for our players to be able to do online studies from their homes if they are still in education, and Spanish lessons can also be arranged if a player would like to work on their Spanish skills before putting them to practice around the house with their Host Family!

For more information about additional accommodation options, including local hotels and apartments available to rent, please contact info@sototennis.com for an extended contact list.

We like to invite prospective Full Time Players for a trial at STA so that they can meet the team, integrate with our players, get a real feel for the Academy and to see if we are the right fit for them, and vice versa.

During the trial period, prospective players will have a meeting with a senior staff member to discuss the following:

- Performance Planning
- STA Culture & Philosophy
- Academics
- Tournaments & Travel
- Additional questions

If you would like to pursue this option and/or have any initial questions, please contact info@sototennis.com with your name, age and tennis level/background. We will then take you through the appropriate registration process.
